

# MAKE A DIFFERENCE

TO ANOTHER WOMAN IN THE SOCIETY

Women of Courage Asia is currently a self-funded community where we come together, once a month, to encourage women, who have overcome their adversities & fears, to share their life's stories, experiences, knowledge & expertise. These experiences, in turn, inspire and empower others to take the courage to live out their dreams and be the best version of themselves.

Our vision is to see all women living out their dreams & fulfilling their destinies while making a positive impact within their sphere of influence.

We are passionate about inspiring women to go from being stuck in Fear, Self-Doubt & Limiting Beliefs to living a life of Courage, Purpose & Freedom. All these can be achieved through Mentorship & Community Support.
